1. Recycle Center Report

This item was tabled as Mr. Pat Calpin was unable to make the meeting.

2. Thornhurst Ambulance

David, Katie, and Charlie Stoudt, Thornhurst Fire Co. President from the Thornhurst Ambulance and Fire were in attendance at the meeting. Mr. Weimer explained that they were invited to the meeting due to a letter that was received by the Supervisors from Monroe County 911 regarding Thornhurst looking to Change services to Commonwealth Health, and the Supervisors weren't aware of this situation and wanted to meet to see what is going on. C. Stout stated that it started out because they are short on volunteers and have two paid EMT's on staff. The option of Commonwealth Health came about as they contacted them to see what options were available to them and nothing is set as to what steps will be taken as they are just talking and the lawyers are talking about a possible contract. Mr. Weimer stated that Coolbaugh Township Supervisors would like to be involved in the process so that they can also make the best choices for the residents of the community, as in the past we have had little to no communication with Thornhurst. Mr. Stout stated that as more information becomes available they will be bringing the information to the Supervisors once they have a clear understanding as to what direction this is going to proceed.
