Coolbaugh Township
Environmental Advisory Council

AGENDA SEPT 23, 2026

6pm-7pm

Approval of minutes –

Wiley Preserve

- Story Walk recap
- DPW cleared the brush
- October story or clean and store for next year

Tannery update

- Township mowed the road for us

Mayfly update

- Assistance requested from Stroud Water Research for programming
- 3rd mayfly to deploy if programmed in time

Budget discussion 2027

Marketing and Community Involvement – community comments

New Business

- Educational networking with schools and the mayfly project
    - Please note that this would have to be an educational only experience for students.
    - Because data collection, QC and recording might be needed at some point by the township for legal matters, it must be performed by adults who are trained on all processes. Otherwise might be questioned by developers.

Adjournment
